VOLUNTEER EXPERIENCE

9th RCF Carrier Fair Organizing Team
2024
"Member of the Organizing Team for the 9th RCF Carrier Fair, responsible for coordinating logistics, managing event schedules, and ensuring smooth operations during the fair. Demonstrated strong teamwork, communication, and organizational skills in a fast-paced environment. Contributed to the success of the event by assisting in the planning and execution of various activities, enhancing the experience for attendees and participants."

Front-end Developer and Electronics Enthusiast
Saidpur, Nilphamari, Bangladesh.

I am a front-end developer with a passion for electronics. I am currently pursuing a Bachelor of Science in Electronics and Telecommunication Engineering at Rajshahi University of Engineering Technology. I have a strong foundation in basic & power electronics and have completed several projects, including *A Closed-Loop Approach for Enhancing Safety and Reliability of Railway Point Machine*, building a line following robot, water level indicator, and various kits. I am also proficient in HTML, CSS and I am eager to learn more about web development.

North Bengle Statup Summit
2023
"Actively supporting event organization and operations. Facilitated networking opportunities, provided assistance to attendees, and ensured seamless execution of the summit."

RCF 8th Carrier Fair HR Management Team member [PRAN-RFL]
2023
I built and maintained relationships with participating partner, ensuring that their needs were met and that they had a positive experience at the fair. I also provided feedback and support to help them improve their business efforts.

ETEchnovation
2022
As an enthusiastic volunteer at Etechnovation, a prestigious departmental national competition event, I actively contributed to its success, assisting in various capacities to ensure the seamless execution of the event.
